Introduction

The Governance Structure of the Trust

The Trust Scheme Trust of Delegation

The MAT has entered into a Master Funding Agreement with the Department for Education (DfE) and a Supplemental Funding Agreement in respect of each academy (the “Funding Agreements”).

The MAT is responsible for ensuring that the company fulfils its statutory objectives, general functions and duties and appropriately exercises the legal powers vested in it, under the Charities Act 2011 and other legislation. The MAT is ultimately responsible to:

- the Members of the Trust - for overall performance and conduct. Members may at any time review and/or make amendments to the Governance Structure of the MAT; and
- the DfE and ESFA in relation to compliance with the Funding Agreements and the requirements of the Academies Financial Handbook.

The Context of the Scheme of Delegation (“the Scheme”)

The Trust Board (“the Board”) is the Governing Body of the Multi Academy Trust (MAT). The Board has full authority and responsibility for:

- setting strategic direction and policy governing all aspects of MAT activity. This includes strategic oversight, vision and planning for the MAT, oversight and determination of the organisational structure and of the performance and standards of each Academy and determination and oversight of the extent of provision of central services for schools (“the central MAT”); and
- governance and compliance (including the arrangements for self-evaluation of effectiveness), probity and financial management (including investment, audit and identification and management of risk), contractual relationships, management of estates and infrastructure and human resource management (as employer this includes the terms and conditions of service of all staff and related policy and procedures).

In accordance with Clause 102 of the Articles of Association* of the MAT, the Board may delegate the power to carry out many of these responsibilities to Committees or, through the Chief Executive, to the Executive Team, other Senior Staff and Heads of School. This document sets out the Scheme of Delegation approved by the Board (“the Scheme”).

*2013

General Principles of the Scheme

1. All references in this Scheme to “the Board” mean the Trust Board.
2. The Trust Board has overall responsibility and ultimate decision making authority for all the operations of the MAT, including the establishment, performance and maintenance of Academies. The Board retains ultimate responsibility for all the powers and responsibilities that it has delegated and receives reports on actions and key powers exercised on its’ behalf. The Board may at any time withdraw or vary any delegation and request additional reports/explanation on the exercise of delegated actions and powers.
3. Subject to the direction of the Board, there shall be three tiers of Governance (i.e. the Board and its’ Committees, the Trust Management Team (TMT) and Local Governing Bodies (LGBs). There

shall be no duplication of governance between the three tiers. Governance shall be as close as possible to the point of impact of decision making. The relationship between the Board, Board Committees (including LGBs) and TMT is characterised as a partnership to realise a common vision and common purpose.

Board Chair (and Chairs of Committees including Local Governing Bodies)

4. The Board appoints a Chair and Vice-Chair at the first meeting in each academic year. Similarly, each Committee elects a Chair at the first meeting of each academic year (see 7 below).
5. The Chair of the Trust Board, following consultation with the Chief Executive or his/her nominee, is authorised to act on any urgent matter within the remit of the Trust Board that may arise between scheduled meetings and where, in the view of the Chief Executive (or his/her nominee) delay in making that decision would seriously impede the business of the MAT. The Chairs of Committees do not have delegated powers to make decisions.
6. All Committees of the Board are, unless determined otherwise by the Board, advisory only. Committees may make recommendations to the Board.
7. LGBs are Committees appointed by the Board. Whilst LGBs elect their Chair and Vice-Chair, the confirmation of the MAT Board of those elected is required. The Board shall determine the number and constitution of LGB's subject only to the Articles of the Company.

Principles of Delegation

8. Those to whom delegations have been granted (including Committees where appropriate) are ultimately accountable to the Board.
9. Delegation of power(s) to any individual does not obviate the need for consultation with colleagues as appropriate.
10. All delegated functions must be exercised in accordance within the established policies and procedures, budgetary and financial and legal constraints of the MAT.
11. Those to whom delegations have been granted (including Committees where appropriate) may elect not to exercise their delegation but to refer any matter to the Board (or in the case of the Executive and other members of staff, to the Chief Executive) if in their judgement, the complexity or risk associated with any matter merits this.
12. Issues regarded as novelty or potentially precedent-setting shall be referred to the Board for consideration and decision. (For example, where an issue may become a 'test case' or, in the view of the Chief Executive, is likely to be controversial or contentious. This includes issues that may risk potential damage to reputation/public trust and confidence, key relationships and /or that may have a personal impact on Trustees and/or on senior members of staff).
13. The Scheme is not intended as an exhaustive list of all aspects of MAT activity but aims to set out the salient powers.
14. All material revisions to the Scheme shall be subject to formal approval by the Board.

Matters Reserved for decision by the Board

15. The Trust Board is responsible for the three core governance functions as set out in the DfE Governance Handbook:
- Ensuring clarity of vision, ethos and strategic direction;
 - Holding executive leaders to account for the educational performance of the organisation and its pupils, and the performance management of staff; and
 - Overseeing the financial performance of the organisation and making sure its money is well spent.
16. The Board appoints the Chief Executive (CEO), to whom it delegates responsibility for delivery of its vision and strategy, and holds the CEO to account for the conduct and performance of the Trust, including the performance of the academies within the trust, and for its financial management.
17. The CEO has full operational authority, through the Scheme of Delegation for management of staff (including setting annual targets and performance management) and implementation of the Strategic Plan and School Improvement Plan and therefor for Trust performance.
18. The Board has reserved decisions on some key issues to itself. These are referred to in the Scheme as "Reserved Matters". The Board shall determine all reserved matters following consideration of reports and/or recommendations from Committees and/or the Chief Executive.

Establishment of and procedures relating to Committees

19. The Constitution, Membership, terms of reference and delegations to all Committees shall be determined and reviewed annually (or such other frequency as may be agreed) by the Board.
20. Any member of the Board who is not a member of a Committee shall have the right to attend any meeting of any Committee, and at the discretion of the Chair, to speak on any matter included on the agenda.
21. The Chair of the Board or of a Committee may, through the Clerk to the Board or Committee, call a special meeting of the Board/Committee at any time, provided the purpose of the meeting is specified in the agenda for the meeting.
18. The Clerk to the Board and to Board Committees (including LGBs) shall:
- consult with the Chair of the Board/Committee on the content of the agenda for meetings;
 - ensure that the agenda and papers for meetings are sent to members of the Board/Committee a minimum of seven days before the day of the meeting;
 - ensure that minutes of all meetings are prepared in a timely manner and approved by the Chair prior to circulation to Board/Committee members. (Following approval by the Chair, minutes shall be provided to all Board/Committee members via Governor Hub. The Minutes shall be submitted to the next available meeting of the Board/Committee for noting/approval. The Minutes of all Committees shall be submitted in full to the Board unless the Board has agreed that a summary report will suffice).

- agree, in consultation with the Chief Executive and Chair of the Board, an annual programme of meetings for the Board and its' Committees, together with a supporting termly programme of business.

The Scheme of Delegation

Member and the Member Board

The role of Members : Key Principles.

1.1. The Trust shall operate within the framework established by the DfE/EFA and related requirements of the Regional Schools Commissioner (RSC). Company Articles are of a charitable nature and therefore the Trust shall act within the principles of the Charities Acts.

1.2. Members are wholly independent of the Trust. Their responsibilities are:

- collectively to be guardians of the ethos and effectiveness of the Trust. Whilst they have a “hands off” role, Members are obliged to ensure the effectiveness of the MAT Board by exercising their rights to appoint / remove Trustees and holding the MAT Board to account; and
- ensuring that *“the business of the Trust in accordance with company and charity law sits with the trustees, members should be ‘eyes on and hands off’ and avoid compromising the board’s discretion in exercising its responsibilities. However, if the governance of the Trust by the Board of Trustees becomes dysfunctional the members will have a strong interest in ensuring the board has sufficient plans to address the issues.”**

*Academies Financial Handbook.

- monitoring the overall conduct and performance of the Trust. (Members are not responsible for setting Trust strategy or for operational matters. They are responsible for ensuring that the Trust is fulfilling, through the MAT Board, the ethos and objectives of the Trust).

 - to monitor Trust performance and outcomes through:
 - reviewing agenda, minutes, reports, policies and other information posted on Governor Hub; and
 - establishing a Member Board. This shall meet a minimum of twice each Academic Year (including the AGM).
 - recruitment and or dismissal of Trustees in accordance with procedures determined by Members from time to time – Annex 2;
- 1.3. As a matter of good governance, Members shall undergo occasional skills audit and ensure that the MAT Board commit to and ensure that Trustees and Governors undergo annual skills audit, the outcomes from which shall be anonymised and reported to the Member Board and shall inform recruitment of Trustees and Governors;
- 1.4. The Trust shall notify the DfE and Companies House of any changes in membership. (The DfE can require any “unsuitable” members to resign);
